

Fil-Amide 190 High Purity Coco Diethanolamide

CAS# 68603-42-9
EINICS# 271-657-0

DESCRIPTION

Chemrez High Purity Fatty Alkanolamides commonly termed as Coco Diethanolamide (CDEA) is offered in two variants, Fil-Amide 190 and Fil-Amide 190M. It is manufactured from highly refined Coconut Oil giving its light color and low odor ideal in most soaps & detergents and shampoos formulations as a foam booster and foam stabilizer. Fil-Amide 190 or Fil-Amide 190M has alkanolamide content of 90% minimum.

APPLICATION

Fil-Amide 190 or Fil-Amide 190M is very ideal to use in most liquid and lotion shampoos, body wash and bubble bath, liquid soap and detergents as foam booster and stabilizer.

FEATURES AND BENEFITS

- High purity of 90% minimum Coco Diethanolamide for excellent foaming and cleaning property
- Superior foaming stability for excellent cleaning action.
- Light color and low odor adding aesthetic appeal to end applications
- Free of allergens and non-GMO for wider acceptance of use

PACKAGING

It can be purchased in 200L drum. Special packing can be arranged.

USAGE

Ideal for liquid hand soaps from 5-10%, for body wash formulas and dishwashing liquids from 10-25% and in shampoos of 1-5%. Formulators may adjust amount depending on a specific application.

RECOMMENDED STORAGE

This product will remain stable for 12 months from date of production provided that it is stored at ambient conditions away from moisture inlet and direct sunlight. For stored products beyond 1 year, consult Chemrez Technologies Inc. for recommendation of use.

MATERIAL SAFETY HANDLING INFORMATION

Fil-Amide 190 or Fil-Amide 190M although is not harmful, contact with

skin and eyes should be avoided and necessary personal protective equipment and clothing should be worn, such as chemical gloves, gas mask, eye goggles and apron. Keep away from heat and any source of ignition.

“Chemrez has Material Safety Data Sheets (MSDS) for each products. The MSDS contain relevant information needed to safeguard your employees from any known safety and health hazard related with our products. Chemrez provides you MSDS for all the products you evaluate or buy. It is also necessary that you get copies of the MSDS of the other raw materials recommended in our technical bulletins from the suppliers. Your employees should have ready access to and to be trained well on the proper use of MSDS.”
